---

It's on that spreadsheet, just check the other tab at the bottom.

I spoke with Greg Powell today (He was off Thursday and Friday of last week). He said that he didn't see any of the pictures or data on the epaossc site. Told him that he had to login because it's marked private. Once he looks at it, he's going to consult with a few colleagues and call me back.

Jeff:

I only got the data vs. Recap. Do you have the table for data vs. EPA Industrial RSLs

---

Attached are the tables you requested. Let us know if you need anything else.

9522461

BTW – Our original volume estimate was 31,000 cubic yards. The assumptions were approximately 4 acres with a depth of 5 ft.

Jeff:

Can you guys use the table below and do me a tables for the following:

1. Table showing results compared only to the Industrial Recap standards
2. Table showing results compared only to the Industrial EPA RSLs

Thanks
